Essay Response

We're sure each of you has a story surrounding why you chose Courthouse Volleyball Club, but the underlying message we hear from our coaches and families year after year is Courthouse Volleyball Club CARES. We are unique in our approach because we have developed a culture that uses volleyball training to promote character and leadership in our athletes. We love that platform and want to build upon that concept. Please take a moment and tell us why you as a player want to play this sport, what characteristics you would like to build personally and what you aspire to bring to your team this 2023-2024 season.
