

Courthouse Volleyball Club Parent Meeting 2023-2024 Season

Our Philosophy:

We believe in training the athlete as a whole. Our goal is to provide a sports experience that builds character while teaching the fundamentals of the game. Also, we teach our athletes how to form healthy habits around exercise and nutrition that will carry them into adulthood. These healthy habits create the ability to influence both the athlete and their family, which allows us to have a positive effect on more than just those who wear a team jersey.

Club Volleyball is a marathon, not a sprint. The 6-month season will require repetition and allow many opportunities to grow and progress throughout the season.

What makes Courthouse Volleyball Club different from other clubs:

1. Our club is backed by Courthouse Club Fitness. Courthouse Club Fitness has spent the last 40+ years as a part of area youth programs and making fitness a lifestyle in our community.
2. Uniforms are included. Each player will receive a Hoodie Sweatshirt, Practice T-shirt, and two uniforms. Players will have the ability to purchase additional gear online.
3. Our head coaches and director have at least five years of coaching experience or collegiate playing experience each.
4. We hold practice over Christmas and spring break. However, feel free to go on vacation if you have one planned during these times! Please just communicate travel plans with your coach.
5. Because we believe in training the athlete as a whole, we use Courthouse resources to make sure your daughter or son has the tools to train and reach her potential.
 - a. A Courthouse membership during the club season is included in club dues for each player. Your athlete can work out, cross-train, or use the pools and other amenities in the club.
 - b. Courthouse Volleyball Club supports multi-sport athletes, and we encourage you to play more than one sport! Research shows a correlation between one-sport athletes and an increased risk of injury. If your athlete chooses to play another sport, please lay their schedules side-by-side and find conflicts. Please inform your coach and team, but feel free to do basketball, softball, swimming, or track!
 - c. Our older teams (16u and 18u) will train with Courthouse trainers to improve their overall fitness and athletic performance in a team environment.

Practice

Practices are held at the Battle Creek, Keizer and West Courthouse Locations. In addition, teams may practice at Blanchet and/or Salem Academy. Practice times range from 5PM-9PM. 12U will have priority for early practices.

Cost

We realize that club volleyball is an investment and want to identify what is included in your cost. Clubs dues include all tournament fees, uniform package, coach compensation, Courthouse membership, Courthouse Training (if applicable) and reserved court space. **Player lodging, transportation, and food will be the parent's responsibility.**
