CLUB USE

Club Schedules and Hours

General Club, childcare, and holiday hours are posted on our website. In addition, the website hosts class, program, and activity schedules.

Guests of Members

Adult members above the age of 16 have the option to bring in non-members as guests. All guests must register with Club staff prior to gaining access to the facility. All guests must pay the applicable guest fee as listed below. There is no limit on the number of times a guest may use the facility when a guest fee is paid. There is no limit to the number of paid guests a member may bring but in cases where there are five or more guests, pursuing a party or rental may be more cost effective.

Premium members have access to guest privileges at no charge. Premium members may bring up to 24 free guests each year. Any unique guest may only gain access via a free pass five times in a calendar year. After a person's 5th free pass, all regular guest fees will apply and the guest should consider joining as a Courthouse member. **The Premium guest allowance is not a substitute for membership.**

Members under the age of 16 do not have guest privileges unless their guest is a parent or guardian. In this instance, all guest policies apply, including the applicable guest fee. The club reserves the right to revoke guest privileges at any time.

A current Courthouse member must accompany guests at all times. Fees are as follows;

- Age 1 to 13: \$8
- Age 14+: \$15

Member and Guest Check-in

Guardians are chaperones for program visitation and are not allowed personal use of any Courthouse facilities, programs, or classes. Sauna and Steam Rooms

The sauna temperature is kept between 188-194 degrees. The steam room temperature is kept between 118-122 degrees. We suggest members limit themselves to a maximum of ten minutes per session. Club Damage

The Club anticipates normal wear and tear to the facility and equipment due to regular member use. The club monitors most areas of the facility. In the event that a member or guest is found vandalizing, damaging, or destroying club equipment or property intentionally or unintentionally by using the area or equipment outside of the intended parameters, the club reserves the right to impose a fee equal to the cost of repair or replacement. The club reserves the right to terminate memberships of repeat offenders.

MEMBERSHIP POLICIES

Membership Subsidy

If a membership subsidy is removed for any reason, membership will be rolled over to the membership rate and terms signed upon initial enrollment. Examples would include but not limited to Corporate membership, Insurance sponsorship or Trade memberships.

Adding or Canceling Services

All changes are to be submitted through online account change form at courthousefit.com. Ceasing to use Club facilities or services will not be considered as intent to terminate service, nor will ceasing to pay monthly fees. Cancellation of service will take effect at the end of the following month in which notice is given.

Medical Freeze

Members may "freeze" their membership for a minimum of one calendar month and a maximum of six months due to an illness or injury that prevents them from using a majority of the club. The freeze period extends any membership obligation by a like period. All freeze requests are subject to management approval and may require a doctor's confirmation. Members may request one freeze per calendar year. Freeze fees apply.

Restricted Access

Some membership options may have restricted access as it pertains to time or space within the facility. Should a member with a time or area restriction wish to use outside of their limitation, they may do so for a fee. For instance, our "Basic" membership provides club access from 12:00 pm to 4:00 pm. Members with this membership type may use the Club outside of this timeframe for an additional fee of **\$15 per instance**.

Right to Deny Membership

Courthouse shall have the right to terminate a membership whenever management determines, in its sole discretion, that the continued existence of the membership is no longer in the best interest of Courthouse or other members. The following non-exclusive list of occurrences may constitute the basis for termination of a membership: when member violates a Courthouse policy, procedure, or condition of membership; when member abuses, destroys, or wrongfully damages Courthouse premises or property, which includes its business reputation; when member abuses, verbally or physically harasses, threatens, intimidates or defames other members or Courthouse employees; when member engages in theft of any property belonging to Courthouse or a member or visitor; or when member engages in the unauthorized use of or conducts unauthorized activities on Courthouse premises.

Right to Price Increase

Courthouse shall reserve the right to increase or decrease dues as deemed necessary. A price increase does not void any contractual obligations on the part of the member. Should dues be raised by more than 15%, a member will be released from any contractual obligation and be allowed to terminate membership without penalty.

BILLING AND PAYMENT

Payment Methods

The most cost-effective payment method is ACH. To set up ACH, you will provide your bank account information. For all other payment methods, including debit/credit card, cash, or check, a \$5 fee is assessed each month. Manual payments may be made in person with club staff or mailed to PO Box 3125, Salem, Oregon, 97302.

Billing Policies

The billing cycle is from the 1st to the 31st of each month. On the 1st of each month all dues, services and fees will be assessed and in most cases will bill according to the billing information on file. Courthouse does not have the ability to change the draft day. Payment is due in full by the 15th of each month. Monthly payment is an acknowledgment of active membership, which allows club access. Once paid, club membership cannot be disputed based on use.

Past Due Accounts

All accounts not paid in full by the 15th of the month will result in suspension of club access until the account is paid in full. Accounts 30 days past due will receive a friendly reminder for payment accompanied by a \$20 late fee. Accounts that become 45 days past due will be terminated and the owing balance, including all respective early termination fees, will be remitted to a collection agency.

On Account Charging Privileges (House Charge)

For membership accounts paid by eBill, responsible parties on the account automatically receive charging privileges. Parents and guardians can choose to give children on the account charging privileges.
