

GIRLS SEASON GUIDE 2026-2027

OUR PHILOSOPHY

We believe in developing the complete athlete by teaching volleyball fundamentals while building character, confidence, accountability, teamwork, and healthy habits.

Club volleyball is a season-long commitment that allows athletes to improve through consistent coaching, quality competition, and meaningful repetition. Our goal is to help every athlete grow on and off the court.

What Makes Courthouse Volleyball Club Different

Courthouse Volleyball Club is backed by more than 40 years of community involvement through Courthouse Club Fitness, providing athletes with a strong foundation and long-standing commitment to youth sports. Our coaching staff brings years of coaching experience and collegiate playing backgrounds, creating a positive environment focused on both skill development and character. Every athlete receives a Courthouse Club Fitness membership during the club season, and we proudly support multi-sport athletes, encouraging them to pursue success in all of their activities. Athletes in the 15U-18U age divisions also participate in athletic performance training led by Courthouse Club Fitness trainers to help improve strength, speed, and injury prevention.

Club Programs

What We Expect from Athletes & Families

Consistent attendance and clear communication are essential to the success of every team. We ask all families to follow our 24-hour rule before discussing concerns after practices or competitions, allowing everyone time to reflect before having productive conversations. Questions or concerns should always begin with your athlete's coach before being elevated to a club director. Playing time is earned through consistent effort, attendance, attitude, coachability, and commitment to the team. Additional policies, expectations, and communication guidelines can be found in the Courthouse Volleyball Club Handbook.
